

AWAKEN

St. Isaac Jogues Youth Conference 2010 Theme Song Lyrics

Shine Like the Son *Matt Maher*

How beautiful are the hands and feet of those
Bringing the good news to all the world
How beautiful the sound of all Your people in love
With someone so much greater than themselves
Someone so much greater than themselves
You've made us ready

Shine like the Son
Shine like the Son
Shine like the Song for everyone
For everyone
For everyone

how beautiful are the hands and feet of those
Working in the vineyard of the Lord
Working in the vineyard of the Lord
Blessed are those going in the name of the love
In the middle of the lost and the poor
We're living in the name of the Lord
You've made us ready
You've made us worthy

Announcing peace as the prodigals come home
You open up the doors and the prodigals come home
Setting the captives free by Your word
You free us by Your word
You free us by Your word
